The individuals listed have confirmed that they are meeting the current Endorsement® requirements to be a qualified provider for the purpose of Endorsement®. They have indicated their willingness to provide RSC to applicants for Endorsement® and to endorsees for renewal. Please contact the provider directly to coordinate attendance or for additional information. This directory of RSC providers is not exhaustive.

The individuals listed are independent providers and do not represent the Arizona Association for Infant Mental Health in the provision of reflective supervision/consultation services. The Arizona Association for Infant Mental Health cannot guarantee the accuracy, reliability, or completeness of supervision/consultation provided by these individuals.

As of 2025 RSC providers must hold an Endorsed Reflective Supervisor add-on (IFS-ERS or IMHS-ERS) OR be an Infant Mental Health Mentor-Clinical (IMHM-C) to continue providing RSC for the purpose of Endorsement®.
